

Your Response (1)*

How do the ideas presented so far align with your thinking on Lutheran education?

How do you see this enacted in your context?

Your responses will be collated and available for you to print out at the end of the lesson

Your Response (2)*

How do you think Lutheran theology informs the school's beliefs about learning, teaching, community, ourselves, students, and the world?

How do you see this enacted in your context?

Your responses will be collated and available for you to print out at the end of the lesson
